9-12 Archers	1 st , 2 nd & 3 rd Places

Payback Schedule for Money			
# Archers in Class	First	Second	Third
1-3 Archers	100%		
4-6 Archers	70%	30%	
7 or more Archers	60%	25%	15%

- D. A 3D circuit competitor may only participate in one class for the circuit tournament. This class must be noted on the 3D circuit registration form. A competitor may choose to shoot a tournament in a different class, but this score will not count for the circuit tournament.
- E. A competitor may join the 3D circuit tournament at any time as long as there are enough shoots to complete the tournament requirements.
- F. The **3D Circuit Champion will be based on four (4) Circuit scores(points) plus the State 3D**. If a competitor competes in more than 4 3D Circuit Tournaments, the 4 highest points and the State 3D are used for the cumulative score. A scoreboard for the 3D Circuit will be kept on the SCAA website. Competitors should notify the SCAA 3D Circuit Representative for corrections. (Please do not wait to end of the year to review these.
 - a. If 3D Circuit member is not a member of the SCAA, he/she may participate in the State 3D as a guest. Circuit members may join the SCAA and participate as a full SCAA member.
- G. Tournament standings will be used to determine the points earned for the competitor in the 3D Circuit Championship. Points for 3D Circuit Competition are awarded using the following formula:
 - 50 points for tournament participation
 - 1 point for each competitor you beat also participating in the 3D circuit tournament of the same class

Example: There were 20 people competing in Bow Novice at 1 of the 3D circuit tournaments. Only 11 of these competitors were signed up for the 3D circuit championship. Standing and points for the 3D Circuit Championship will be based off of where you finished compared to other 11 3D circuit competitors and not the entire field of 20.

 - 5 points for 1st place, 3 points for 2nd place, 1 point for 3rd place

Examples: Competitor places 3rd in a 15 person class: 50 (participate) + 1 (3rd place) + 12 (shooters beaten) = 63
Competitor places 2nd in a 5 person class: 50 (participate) + 3 (2nd place) + 3 (shooters beaten) = 56
Competitor places 1st in a 10 person class: 50 (participate) + 5 (1st place) + 9 (shooters beaten) = 64
- H. SCAA has a speed rule of a maximum of 300 fps with a 3% variance. All 3D Circuit Championship shooters must be prepared to shoot through a chronograph. A disqualification of tournament score will result if a competitor shoots over the maximum speed after beginning the tournament. (excludes Known 40 Outlaw)
- I. 3D Circuit competitors must shoot in a group with at least a minimum 3 adults. These adults do not need to be 3D circuit competitors. SCAA defines adult as a competitor that is 18 years old or older.
- J. After factoring in the points earned from the Final Circuit/State 3D tournament, a tie will be broken through a final shootoff following the State 3D/Circuit #7 tournament. Archers will compete in a single arrow shootoff until a Champion is crowned. SCAA State 3D Championship rules apply for shootoff.
- K. **Move Up Rule for Bow Novice**- The past State 3D, 3D Circuit, Regional, OR SOY champions in the Bowhunter Novice class must move up to a higher class. He/she will be ineligible to compete in any of these competitions in the Bowhunter Novice class.
