Participation Requirements

Earn points from four (4) Circuit Tournaments plus the State 3D/Circuit #7 *This tournament is required.

Example: Competitor participates in Five (5) Circuit Tournaments and the required State 3D/Circuit #7. The tournament earning the lowest points from the first 5 Circuit Tournaments will be dropped.

Note: Circuit Shooters are not required to join the SCAA. SCAA 3D Champions must be a current SCAA member. A Circuit member has the option of participating in the guest class if he/she chooses not to join. Scores will transfer over for points.

Points for 3D Circuit Competition are awarded using the following formula:

→ **50 points for tournament participation**

→ **1 point for each competitor you beat also participating in the 3D circuit tournament of the same class**

Example: There were 20 people competing in Bow Novice at 1 of the 3D circuit tournaments. Only 11 of these competitors were signed up for the 3D circuit championship. Standing and points for the 3D Circuit Championship will be based off of where you finished compared to other 11 3D circuit competitors and not the entire field of 20.

→ **5 points for 1st place, 3 points for 2nd place, 1 point for 3rd place**

Examples: Competitor places 3rd in a 15 person class: 50 (participate) + 1 (3rd place) + 12 (shooters beaten) = 63

Competitor places 2nd in a 5 person class: 50 (participate) + 3 (2nd place) + 3 (shooters beaten) = 56

Competitor places 1st in a 10 person class: 50 (participate) + 5 (1st place) + 9 (shooters beaten) = 64
