Wildlife Action Archery
Kids' Day May 2, 2015

State Tournaments

We would like to thank Keowee Bowman, Swamp Fox Archers, Sandune Archery Club, Lake Marion Archery Club, and Wildlife Action Archery Club for all the time and effort they have expended in hosting the state tournaments this year. We have had approximately 50 shooters attending each state event. This number has steadily climbed over the years. We hope that others will come join the fun!

There are two State Tournaments left for the 2015 season. On July 17 and 18, Keowee Bowmen will have the State Field Round. The shoot times for this event are 9 am and 1 pm on both days. More information for this tournament can be found on the SCAA website or Facebook page.

On August 8, Wildlife Action Archery Club will host the State 3D tournament. This is a one-day event starting at 10:00, (registration cutoff 9:30). The SCAA Award Banquet will follow the tournament (tentative time 3:30). Archers can register for this tournament beginning July 27th to Aug 6th by texting your name and 3D class to Brock Morris at 843-810-2924.

New State Records for 2015

Archers strive to perfect their shooting abilities. These competitors not only were successful in winning in their classes this year, but also set new state records. Current records can be found in the Archives section on the SCAA website. (Hunter Round is not included)

SCAA Officer Duties

The Board of Directors is the governing body that oversees the SCAA. This group is comprised by those in these positions: President, Vice-President, Secretary/Treasurer, NFAA Representative, Editor ("The Quiver") and one representative from each of the SCAA Archery Clubs. This Board of Directors shall have power to act (vote) on all business matters relating to the SCAA as empowered by the SCAA Constitution and the By-laws.

The following is a short list of duties for the executive positions open for nominations. For more details view the SCAA Constitution and By-laws that can be found on the forms page of the website.

Vice-President (tournament director)

- To serve as presiding officer at all SCAA State Tournaments. If unable to attend, it will be his/her responsibility to furnish a qualified presiding officer.
- To serve as public relations officer for SCAA.
- To develop a positive program for the formation and development of new clubs and to assist present membership clubs of SCAA.
- To assist and advise the President.
- To perform any other duties required by his office.

Secretary/Treasurer

- To record and maintain a permanent file of the minutes of all meetings of the SCAA and of the Board of Directors.
- To serve notice through the publication "Quiver" or by letter of all meetings of the SCAA and of the SCAA Board of Directors meeting.
- To receive all money due the SCAA and to deposit it in the name of SCAA.
- To keep accurate accounts and records of all receipts and disbursements of SCAA.
- To perform all other duties incident to the office.

Editor of "The Quiver" (public relations/advertising)

(these duties can be made current as they were written in 2001)

- To publish "The Quiver" as directed by the policy of the Board of Directors.
- To maintain information files for future referrals of publication data. To request from each club, in advance of publication of "Quiver", information from and about club members, activities and visitors. Also check and publish pertinent information from other publications that is determined to be of interest to SCAA members.
- To work closely and assist the Vice-President with SCAA public relations.
- To be responsible for ad sales and solicitation of "The Quiver" as directed by the editorial policy of the Board of Directors.

From the Desk of your NFAA Director.

This year has been so exciting and busy, not just for me but for your elected Board of Directors. As I travel from club to club, I am asked things concerning rules, equipment, and shooting. So if you see me, walk up to me, introduce yourself, and let's talk. I will tell you this, I'm not all knowing, but I will find the correct answer.

The attendance at the sanctioned NFAA shoots continues to climb. But I would ask you this, are you supporting clubs and archery in the state by attending these styled tournaments? If you want to challenge yourself as an archer, I suggest you travel north, south, east or west and take on the spot target. If archery is really in your heart, find a way to shoot all types of archery.

Back in the day, we used to fellowship with other archers while waiting for the awards ceremony to be held after a tournament. Today times make it hard to do this. A state event is an opportunity to do this. During this time, all those competing in the event are put in peer-groups with other archers for the competition. Friendships are being made or rekindled as conversations about past tournaments, archery equipment, shooting techniques, and much more take place.

I was impressed with those archers, that took the time to bring or invited youths that they are coaching or assisting in archery to our tournaments. When you introduce archery to a child, you are teaching them qualities that go beyond shooting. I encourage everyone to get involved with your local youth archery groups and invite them to our tournaments. Many of these children are out for the summer. Let's get them hooked on archery.

If you have any questions, comments or concerns please feel free to contact me.

SCAA Executive Officers

Nominations

The executive office positions of Vice-President, Secretary/Treasurer and the Editor of "The Quiver" are elected on odd years. We are currently accepting nominations for these positions. As we prepare for new officers, we like to thank Michael McKnight for his service as Vice President since 2012. We appreciate all that he has done for the SCAA during this time. The other positions are currently vacant for 2015.

All nominations must be in writing (email/mail) and must be sent to the SCAA President, postmarked no later than July 20th. Any person nominated to an office must have agreed that they are fully aware of the duties of the office to which they have been nominated and if elected that they will carry out the duties as outlined in the SCAA Constitution and By-laws to the best of their ability. SCAA Election ballots will be mailed to current members no later than August 1st. Ballots must be returned to the President postmarked by August 20th of each election year (to be a valid ballot). Only current adult members (18 years of age or over) of SCAA/NFAA shall have voting privileges in the election of officers.

These are my nominations for...

Mail or Email to President by July 20

SCAA Hall of Fame

Everyone can think of an archer that they see as a role model for other archers. This person may have been a **pioneer** by being deeply involved in tournament archery since the early years of the SCAA or an archer who has implemented improvements and changes that have resulted in a positive improvement to the SCAA. It could be someone that has been a member of the SCAA for 10 or more years and has been a role model for others. Their **service** as a member has benefited other archers in the state. This person could have excelled in their class that he/she competes in becoming an **accomplished** archer.

These archers can be nominated for the SCAA Hall of Fame. Simply visit the forms page on the SCAA website and download the Hall of Fame nomination form. Once completed mail it to the president. Nominations should be submitted by July 15. The archer(s) selected for the Hall of Fame will be recognized at the State Award Banquet at Wildlife Action Archery Club on August 8. We also would like to know if there are any former inductees to the Hall of Fame.

SCAA Reviews and Comments

We value our members' opinions and often ask you what we are doing right or need to improve on. This information we use to guide us in making changes for the next year. These are some of the comments we have received and things we are taking into consideration to discuss at our next business meeting, September 19, 2015. Please continue to let us know what you think.

Organization

Positive-

The courses are more challenging than in the past, making us better archers.
The addition of known classes for 3D was a positive move.

Constructive-

The scheduling for the regional competition is too limiting with only two tournaments per club.
There is too wide of a range of ages in the senior class for 3D.

Our Members

"I just want to say that SC has some of the NICEST archers in this sport that you could ever care to meet. ... SC has proven to me time and time again that our state is made of some genuinely AMAZING people both in the sport of archery and as individuals. I had a GREAT time with my group of fellas at the State International. Got to see some old and new faces as well. Thank you, SC Archers for being so awesome!" ---Angie Knight

Thank you, SCAA members and those that shoot at our clubs, for exhibiting the behaviors that make you stand out as great archers! It isn't about your shooting skills, but the attitude you have as you do it!
